

Mattituck~Cutchogue UFSD Operational Security

2019~2020

Making a Difference..... Security Advancements

Vulnerability and Threat Assessment Completed

- ❑ 3 Full-time security guards and 4 part-time on staff
- ❑ SROs are supplied by Southold Police Department stationed in our schools on a frequent basis.
- ❑ One main entry for visitors in each building with a trained greeter to control access to building.
- ❑ CE and JH/HS have secure vestibules
- ❑ Greeters have access to a video/intercom at the entrance doors.
- ❑ Schools log in visitors and issue visitor passes with a Raptor electronic visitor system.
- ❑ Staff has radio communication within the building and while students are at the playground.
- ❑ All schools have IP phones and PA systems

Making a Difference.....

- ❑ Schools have camera systems by Intralogic Solutions that are clear and operational.
- ❑ Each school has some signage on doors to direct visitors.
- ❑ The video monitoring system (VMS) platforms presently have a 30-day image retention.
- ❑ All exterior doors are locked and those that can be entered from the outside are access controlled.
- ❑ Faculty/staff in the school buildings are required to wear an ID badge.
- ❑ All buildings are fire protected with a working fire alarm system.
- ❑ AEDs are located on each floor, several portables
- ❑ Professional Development for Security Staff
